

FISCAL NOTE

HJR 472

February 13, 1998

SUMMARY OF BILL: Directs the Department of Environment and Conservation to conduct a feasibility study and seek comment from public interest groups on the creation of a viable park management unit of certain state properties along the Harpeth River in Cheatham and Davidson Counties. The Department of Environment and Conservation shall report its findings and recommendations to the two speakers no later than January 1, 1999.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - \$50,000 One-time

Cost estimate is based on similar studies that have been performed in the past.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
